PERSONAL STATEMENT:

My focus in ministry is upon the grace of God in Jesus Christ.

I do not seek to dominate people, nor dictate matters in the church. A partnership between pastor and people makes for progress and peace within the church.

My personal objectives in ministry are to build people up in the Lord, to witness to the salvation of God in Jesus Christ, to increase knowledge of the Bible, and to promote prayer. Our aim in the church should be to build up one another in the Lord, to promote love, good works, prayer and a clear witness to Jesus Christ.

STATEMENT OF FAITH:

- I believe in the deity of Jesus Christ, His cross and resurrection.
- I believe the Holy Bible is a treasure from God and an authoritative guide to the Christian faith and life.
- I believe in the priesthood of all believers.
- I believe in the freedom for individuals to interpret the Holy Scriptures for themselves, to pray their own prayers and live their own life before God.
- I believe the church should minister to the world and witness to Jesus Christ.
